Pikes (as in "heads on pikes") are very low tech and affordable.*

Plus, you can't ask for more bang-for-the-buck when you want to put the fear of God into potential criminal bureaucrats while simultaneously advertising that justice was previously served. It's a two-fer!

As an added bonus, they're easy to move from place to place and they make great accessories for victory parades, inauguration ceremonies or after-inauguration parties.

Assuming this will be televised we can probably even dispense with the steps and the stage as well. Just have them stand on a bucket, and the kick the bucket out. Saves you at least \$75.
